CLASS MOTTO:

YESTERDAY IS A MEMORY
AND TOMORROW IS A DREAM
BUT TODAY WE'LL LIVE
AND MAKE EVERY YESTERDAY GOOD
TO REMEMBER
AND EVERY TOMORROW A DREAM COME
TRUE.

THE YEARS HAVE GONE
BUT THE MEMORIES REMAIN
OF HOW WE WERE UNITED
IN A VERY SPECIAL WAY

YESTERDAY IS A MEMORY
ITS JOY STILL FILLS THE AIR
ANTICIPATION OF TOMORROW SWELLS
IN THIS OUR GOLDEN YEAR

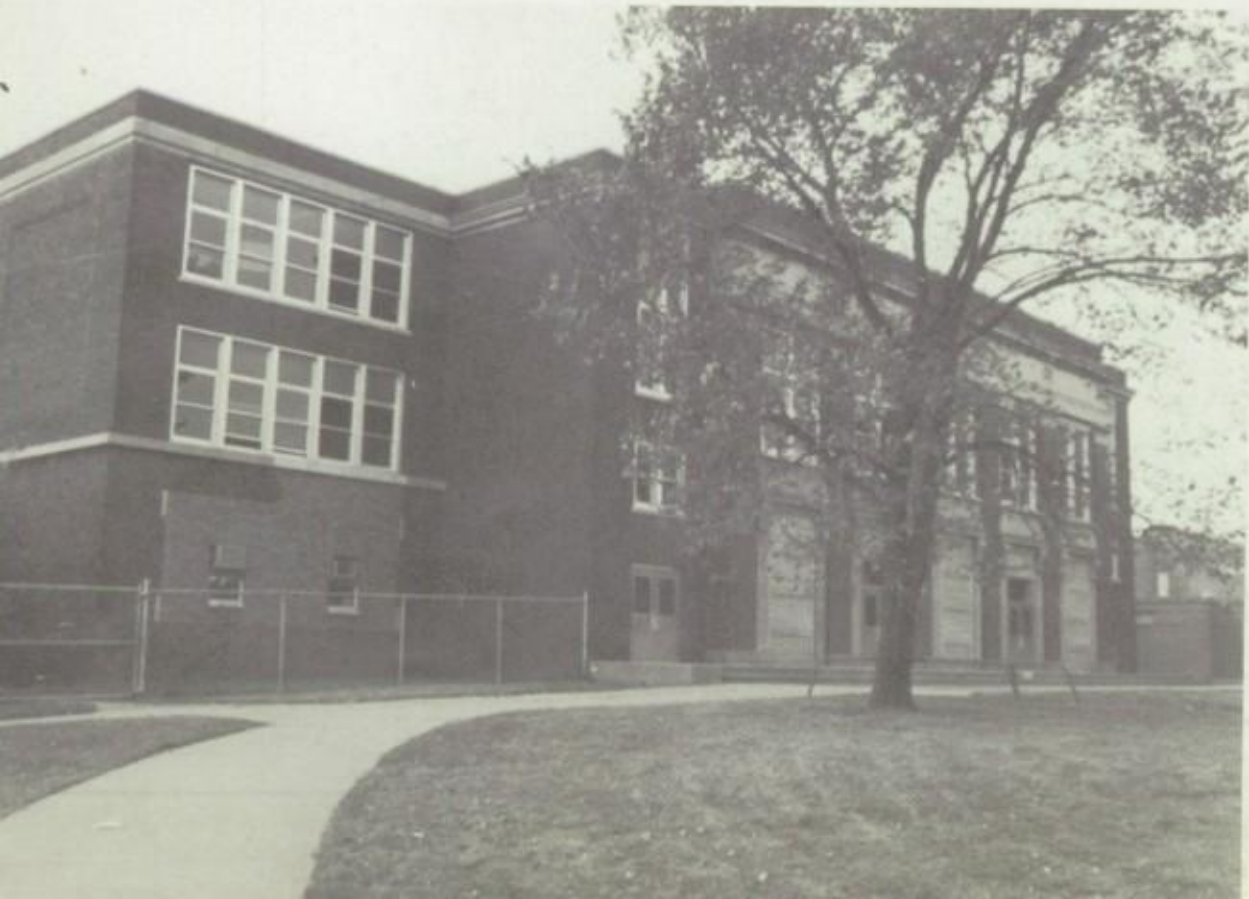

WE, THE CLASS OF "80"
PERCEIVE A CERTAIN TRUTH
THAT A PART OF OUR LIFE MUST END
TO UNVEIL DREAMS BEYOND OUR YOUTH

AS WE DEPART FROM THIS LIFE
AND OPEN OUR EYES TO THE FUTURE
WE LOOK BACK WITH GRATITUDE
TOWARD ALL WHO HAVE SHARED IN
OUR HOPES, OUR DREAMS, OUR SORROWS,
OUR JOYS, AND ABOVE ALL,
OUR FRIENDSHIPS

STUDENT LIFE

As the student body flooded the halls of M.H.S. last September, they began their journey down the road of another school year. Their arms were bulging with books and their hearts were waiting for new social unforgettable memories. Whether the students experienced good or bad from young or old, they have each matured during the course of this years journey.

For the seniors of '80, the steps doen that pathway are numbered and few. Teh memories of this year will be very special for them. This journey will have prepared them for the long road of adulthood. As for the juniors, the sophomores, and the freshmen — the journey will be continued next September as they once again venture — down the road.

Throughout the past four years of high school, the *Senior Class* has come to recognize various unique qualities among their classmates. From the time they were freshmen, right up to their *Senior* year, these people have special features which *stand out!*

Their talents have not gone unnoticed the *Senior Class of 1980* is quite aware of each and every one of them. This section of the yearboo was especially designed to recognize these outstanding students.

MOST TALKATIVE

Being a sophomore at Memorial means choosing between remaining at M.H.S. or entering M.C.J.V.S. The sophomores are given the chance to enter into areas that are not offered at M.H.S. Students entering M.C.J.V.S. have basically decided that their career goals can best be realized at the Vocational School. Several students from our school attend M.C.J.V.S. along with students from all over the Mahoning County. They spend their Junior and Senior years gaining practical experience in what they plan to do with the rest of their lives. The Mahoning County Joint Vocational School is prepared to train students in practically any area of interest as they complete their required educational subjects.

BEHIND THE SCENE

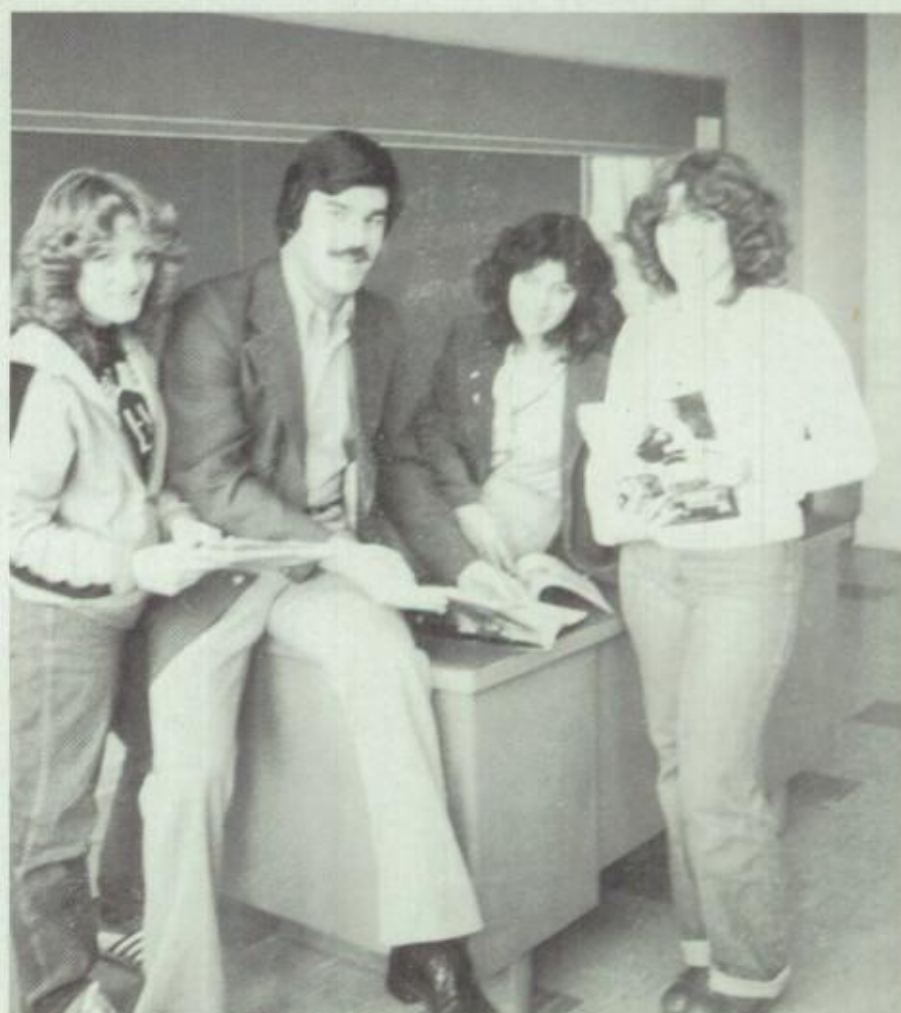

Mr. Richard Gozur - Senior Class Sponsor

Throughout the past twelve years, you have attempted to acquire knowledge necessary for your life in the years to come. The knowledge you have obtained will not alone get you through the trying times to come, for you will need to couple this knowledge with the application of that which you have learned. You must also continue to learn, because one who stops learning stops living. If you are willing to work honestly and without fear of failure, I'm sure you will be able to meet the challenges of life. May I extend my congratulations and best wishes to each and everyone of you, and thank you for the experiences you have given me. May God bless all of you in every endeavor you may undertake.

TODAY IS ONLY THE BEGINNING

The final day! June first the last time the *Seniors* stood together as a class. *Graduation* is the first step into the future; with this step each person can not help thinking back on the years spent at C.M.H.S. For some the four years passed by quickly, while for others the time could not have gone fast enough. Whether the time passed quickly or slowly, our high school years will be unforgettable. After graduation some of the many friends we have made will fade away, but the memories of the good times that were shared will remain with us. Campbell Memorial will lose something with the *class of '80*. The halls will seem a little bare without the unique individuals that were the *class of '80*.

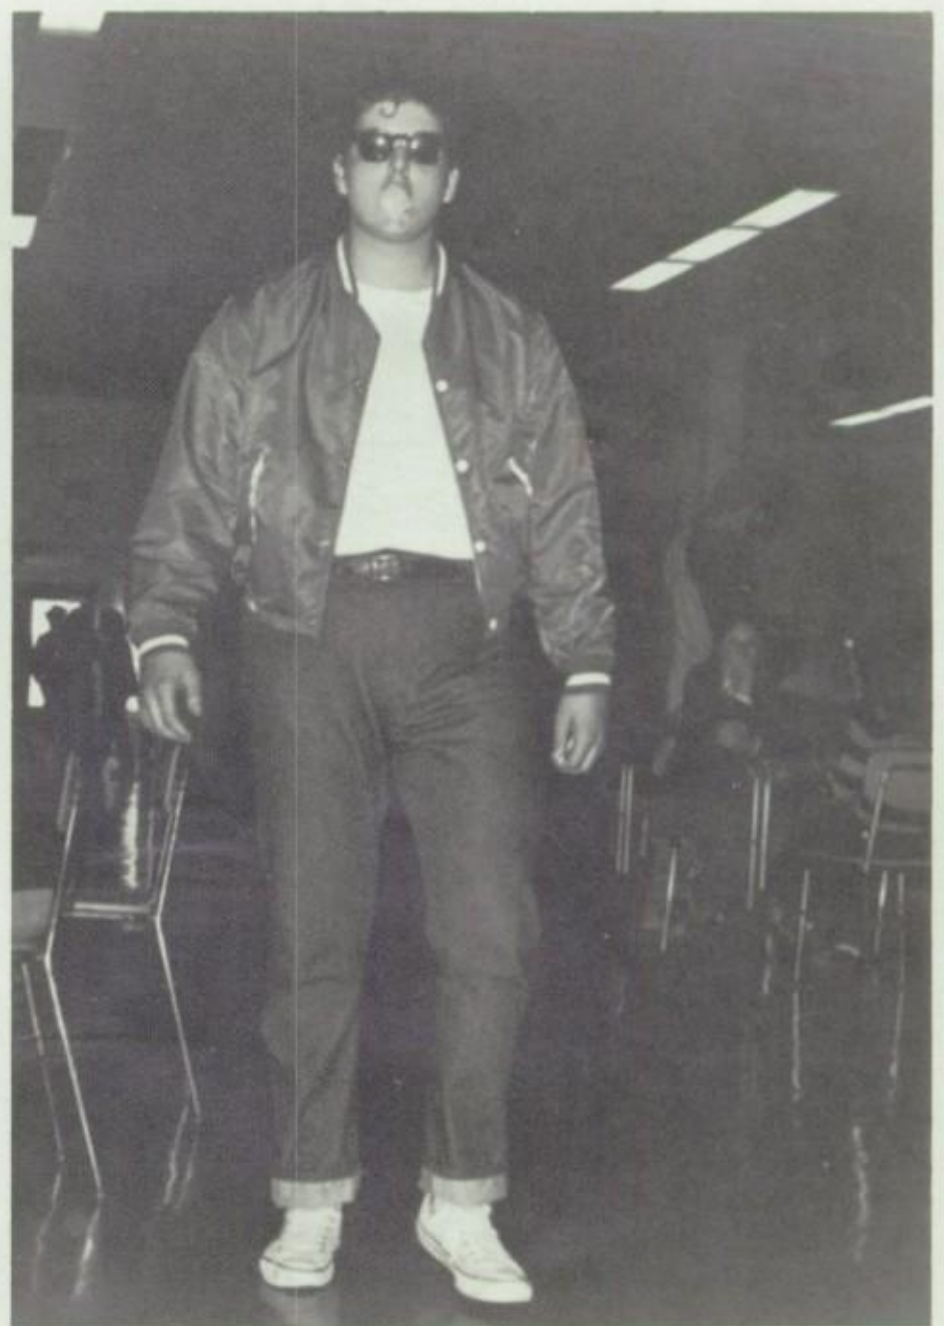

SENIORS RE-LIVE THEIR CHILDHOOD

The week of *May 12*, at C.M.H.S. is one that many seniors, as well as underclassmen and faculty will never forget. This week was classified as *Dress-Up Week*. The Seniors who thought that life in the 50's was more exciting than today, got a chance to prove it on *May 12, 50's Day*. Teachers became baby-sitters at C.M.H.S. on *May 13, Baby Day*, when the Seniors had a chance to relive their childhood days. *May 14, Clash Day*, was considered a normal day, as many of the seniors clash every other day of the week anyway. Finally, on *May 15*, the 1980 Senior class assembly arrived. This was an event in which many Seniors got to show their unique talents, and their taste for artistic beauty.

Leaving behind them the days of being scared Freshmen and unsure Sophomores, the Juniors have continued their schools days as productive students. Traditionally, the Junior class sponsors the Homecoming festivities in the fall and the Prom in the spring. With the help of their sponsor, Miss Spirtos, the activities were successful and enjoyable. Throughout the year, the Juniors also worked hard producing "The Memo", our school newspaper. Have fun next year and GOOD LUCK!

For a Sophomore, the school year means a full schedule and a lot of hard work. Only one step away from being "upperclassmen", the class of '82 seems to be caught in the middle. They are happy not to be Freshmen, but not lucky enough to be Juniors, "with just one year left, after this". Most Sophomores are not sure of their future but are trying to find a place for themselves here at M.H.S. Their sponsor, Miss Ondash, does her best to keep them interested and active in their education and activities. They work hard to make enough money to finance their Junior responsibilities, and it is well worth the time, effort, tears, and even the boredom. Keep up the good work, Class of '82!

New faces wander the halls. Faces that reflect anticipation, promise, and confusion. Their future at Memorial is just beginning, a time filled with work and play. As they are seen struggling to adjust to their new environment, it is almost possible to pick out the scholars, the athletes, and of course, the clowns.

The bright-looking freshmen bring back a few fond memories and perhaps even a tear.

1980 SWEETHEARTS

February is the month that is eagerly awaited by the entire student body at Campbell Memorial. For this is the month in which the Sweetheart Court is chosen. Each boy in every homeroom is given a ballot and asked to select on girl from each class to represent that class as a candidate for the Sweetheart Court.

This election is conducted by the Reveler Staff and the entire school participates in the final results.

After the ballots are tabulated, 3 girls from each class are nominated to become the sweetheart of the class. During the week of Valentine's Day the girls are asked to decorate boxes which are kept in the cafeteria and the students make contributions of money to determine the winner from the class.

On Valentine's Day the results were final, and the following young ladies were chosen as the Sweetheart Court of 1980: Chris Cougras - *Freshman*, Jodi Almasy - *Sophomore*, Cindy Fiorini - *Junior*, and Cathy Cougras - *Senior*.

A MOMENT TO REMEMBER

It was a cold, starry night and a chilling autumn wind was blowing. However, that night, October 5, was a very special night. Despite the cold, there was a certain warmth and anticipation in the air that only Homecoming can bring. The five candidates were escorted onto the field at pre-game. A roar came from the anxious crowd as Kalypso Billiris was crowned the 1979 Homecoming Queen.

The Queen was escorted by James Valerio. The attendants were: Cathy Cougras escorted by Bob Sudol; Darla DiRienzo, escorted by Greg Kopinsky; Norma DiPiero, escorted by Michael Beeson; and Lori Lariccia, escorted by Eric Dellarco. After the game, the traditional Homecoming Dance was held in the cafeteria and everyone danced to the music by "Mighty Generation". What a night to remember!

M.H.S. STUDENTS RULE THE SCHOOL

This section was especially designed to honor those *Super Seniors* who have earned recognition for their achievements throughout the year. Their accomplishments, whether academic or social, have placed them in a position we call "*Royalty*." The students who have achieved special social status are especially recognized. Their winning personalities have singled them out and placed them on top! The popularity of these students has won them titles of Royalty. The officers of various clubs have shown a special quality for *leadership*. Chosen by their classmates as outstanding among the student body, they have created the activities we all have been a part of. For these reasons, they will always be remembered. These students stand out in a class of terrific seniors. Our Royalty is but a small representation of the "*best*" of the Class of '80.

BONFIRE LIGHTS UP DEVILS' SPIRIT

The traditional bonfire was held on November 2, 1979, the night before the Mooney game. The big event began with the band, cheerleaders, football players, faculty members, and students all gathered together awaiting the first spark.

As the sparks became flames, spirit grew in the hearts of all. To add to the excitement, many joined in the traditional train around the fire led by the cheerleaders.

As the evening came to an end, the fire died, and everyone departed feeling excited and proud. A strong feeling of spirit and loyalty to the Red Devils had been aroused. We also knew that those feelings would not die, but that a spark of that flame would always be present in our soul to ignite and shout to the world: "WE BELIEVE"!

FIRE!

The Pep Assembly for the Mooney game proved to be our best.

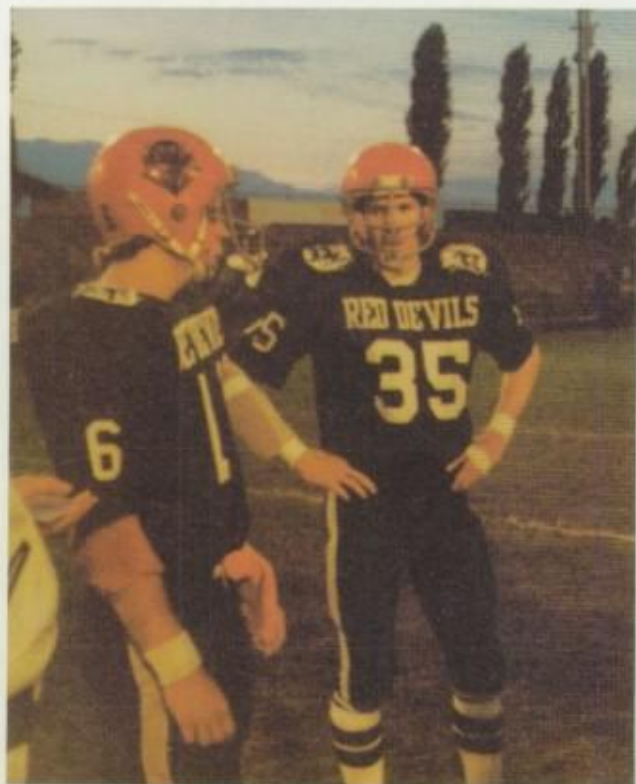

Varsity cheerleaders sure got the spirit!

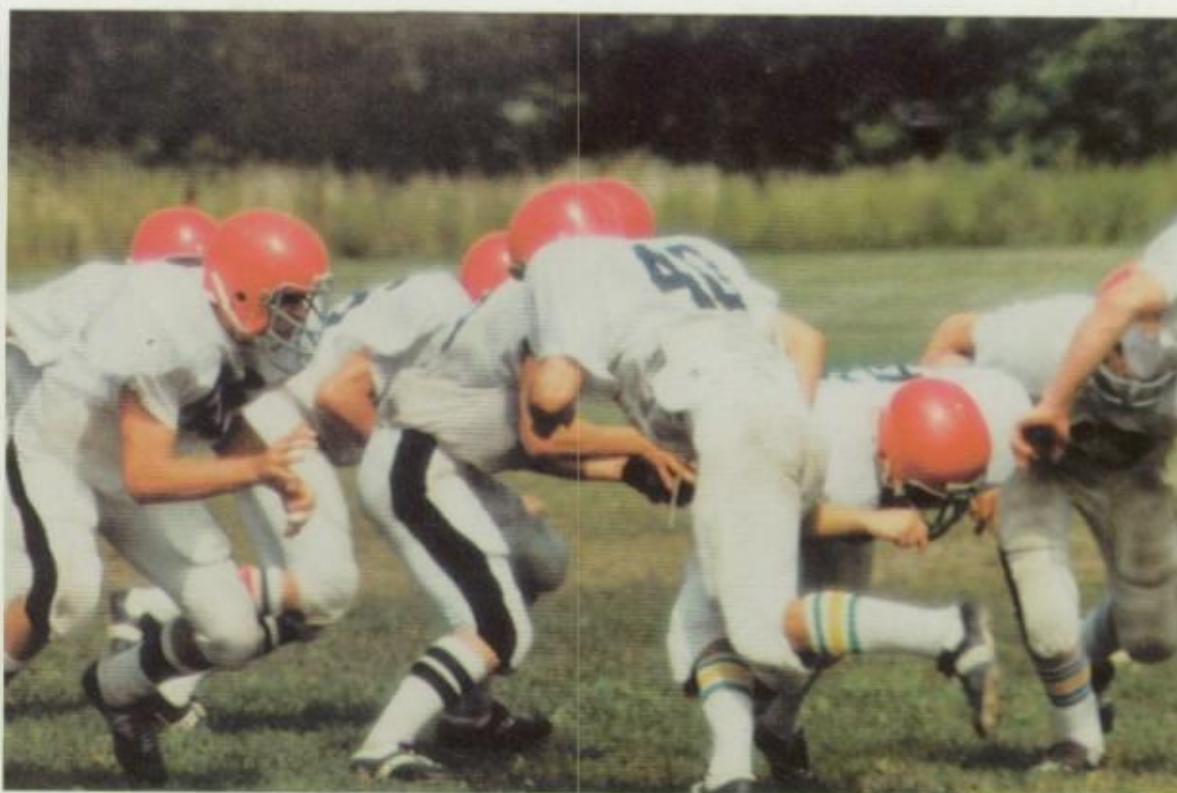

Our dancing majorettes performed at the *giant bonfire*.

DESIGN A BOOK OF

Janet Kust

Kalypso Billiris

John Kaschak

Putting a yearbook together is not an easy job. No one knows this better than the 1980 Reveler Staff. Pictures alone don't make a yearbook, it takes imagination, ideas, hard work, and a dedicated staff to turn out a good yearbook. The Reveler Staff starts in the summer soliciting advertisements and patrons to support the printing of the book. Once the machinery is in motion it becomes an endless task of picture taking, lay-out, and copy writing. To produce a yearbook that accurately reflects the life of our school takes the unselfish dedication of a competent student editor, and Campbell Memorial was very fortunate to have Jackie Wasko undertake this monumental task for her class this year. Our only wish after this labor of love is finished, is to have produced a yearbook that will pressure in our hearts always, the cherished memories of our life at Memorial.

This provides needy families with food for Thanksgiving that they otherwise would have gone without. Besides working for the community, the group plans activities which will also benefit them — Weekly banquets, and Kwanis convention in Columbus.

PARLEZ-VOUS FRANCAIS

The French Club has become very well known for its active role in school life at C.M.H.S. Traditionally, the members have provided a source of continual support for our football team by posting signs of encouragement wherever hall space and bulletin boards could be found. The Christmas holiday is celebrated French-Style, complete with luscious pastries exclusive to that culture. The annual rummage, bake, and book sale is undoubtedly the largest group effort performed by the club. Complete participation in the project provides the proceeds which help defray the total cost of the Club's trip to Canada, which is taken every two years. Finally, the graduating members of the club are treated to a French dinner with all the trimmings at the close of their senior year.

This year's Pep Club proved to be one of the most high-spirited and rowdy group of students in the school. During the sports season, this group always seemed to lift the spirits around the school and of course, at the games. It is credited to these students for the decorations in the halls and the cheering during the lunch periods. Enthusiasm plays an important role in sports, therefore, the support of the student body is always appreciated. School spirit is one of the most energetic aspects of a competitive sport, and our Pep Club was always showing their outstanding pride.

Any young girl who has aspirations of becoming a majorette will soon come to understand the tremendous amount of energy, dedication, and time that is necessary to be the best.

The effort expended, however, cannot compare to the many rewards experienced by a Campbell Memorial Majorette. The rush of pride that comes when a difficult routine is executed to perfection. There is a special joy in being part of a group of people that can work in harmony and accomplish their goals. The thrill of being a part of the excitement that is generated at each game and the applause and encouragement of parents and students in the stands cannot be expressed in words alone. As the last half time show came to an end and the senior majorettes proudly marched off the field their expression said it all.

TOMORROW'S FORCE

When September begins, it's not only school that comes back to mind, but also football. The student body looks forward to every Friday night. The excitement begins early Friday morning, entering the halls of the school and, reading the signs on the walls, and of course, the high-spirited students dressed from head to foot in red and black. The tension mounts as the students rumble into the auditorium for the pep assembly; the band playing the fight song and the cheerleaders cheering. As the team approaches the stage the students express their enthusiasm *Look out Friday night - here come the Red Devils.*

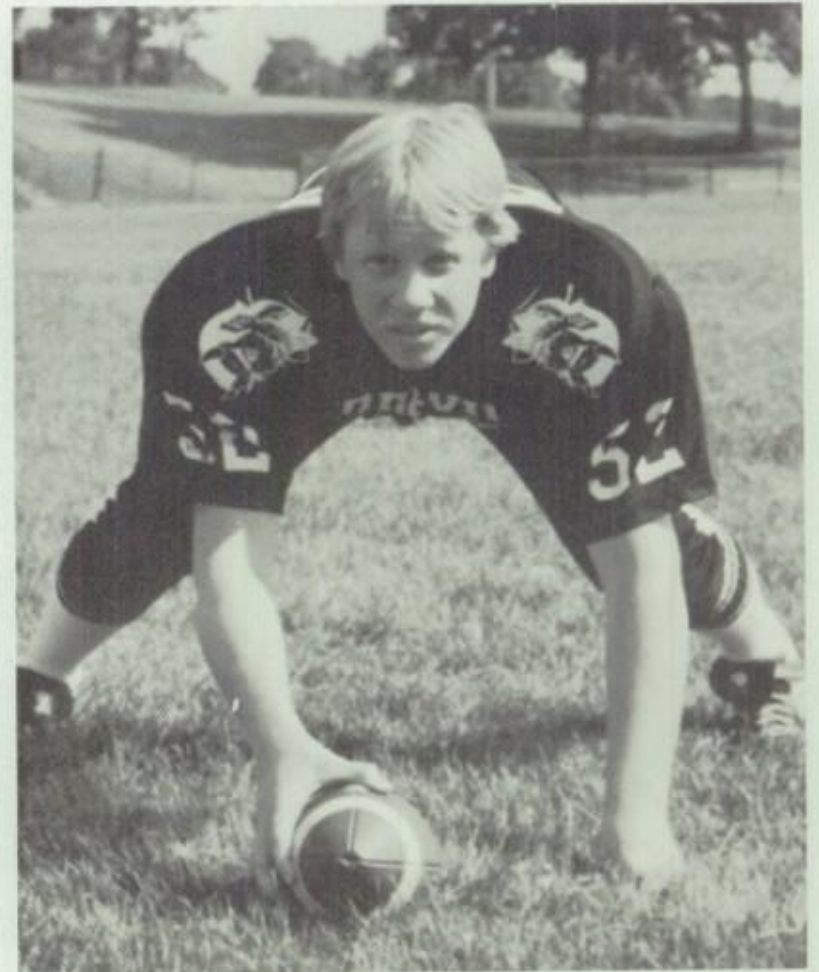

The 1979-80 Red Devil football team completed a respectable 4-6 record against some of the toughest teams in the state. The Red Devils fought their opponents up and down the football field. Each and every player giving all they had. From the opening game to the closing game the *Red Devils "Black and Blu Wrecking Crew"* gave us all reason to cheer.

SPIRIT, SPIRIT

LET'S HEAR IT

Senior - Cathy Cougras

Cheerleading is a lot more than getting out in front of a crowd of people and yelling and jumping up and down. It is a great opportunity to become a better person by learning what self-discipline is all about. The long hours of practice, straining muscles, and sore throats prove the loyalty to their sport. A girl isn't cheering for herself, but she is representing each and every student of the school. They are a true example of school spirit. The years as a cheerleader are filled and busy. Along with the hard work, tears, and tired muscles, there is laughter, smiles and a lot of fun. The squad shares the good times and the bad, building new friendships along the way. To each girl cheering means something different. Cheerleading is many things, but to the Senior Cheerleaders of 1980 it will always mean years filled with a lot of happy, fun-filled memories.

Head Coach Mike Kish, Asst. coach William Barillare

Baseball is the sport which has constantly through the years put Campbell Memorial in a winning position. In most schools, baseball is considered to be only a secondary sport, but here at Memorial the baseball season is thought of as one of the most important and vital to our school. The combination of hard work, talent, and good coaching has earned the 1980 baseball team a 21-8 season record. It will be difficult to replace graduated Seniors Jim Moskosky, Luke Vargulich, Jeff Misko, Bill Dellick, Mark Trexler, George Shirilla, Joe Carrier, Mike Soroka, and Jim Sferra. Moskosky and Dellick were All Steel Valley Choices in 1979 and 1980, and George Shirilla a 1980 pick. This is easy to see with Moskosky batting .446 average with 5 homeruns; Bill Dellick a .356 hitter and rated one of the best defensive catchers ever; and Shirilla being an outstanding pitcher, who was at his best when the pressure of the big games was on. Overall, the 1980 team must rate among the finest ever in Memorial's baseball history.

TRACKSTERS ON THE MOVE

The 1980 Boys Track Team

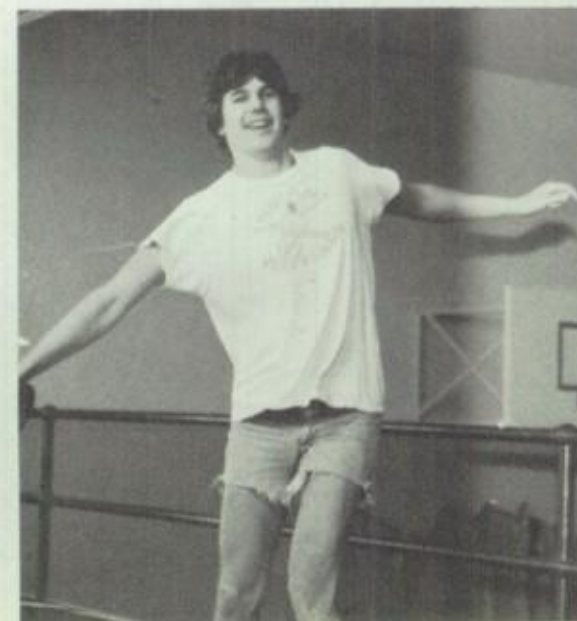

When the sport of track is mentioned, "quickness" and "speed" come to mind. The ability to run and be in shape is what comes to the mind of the C.M.H.S. track team. The team is directed by coach Dennis Katsaras and has thus far had a successful year. The experience and good attitudes possessed by the track team resulted in a satisfying season with excellent potential for the future.

Practice and hard work all year paid off and the girls finished the season with pride in their achievement and anticipation for next year.

CROSS-COUNTRY

A member of the Cross Country team has to be in top physical condition to run in a meet. A cross-country season consists of about 12 meets. Each meet is a two and a half mile race. While a meet is only two and a half miles, the members run between five and ten miles daily to keep in top condition. The runners push themselves to run more each day, to represent Campbell Memorial at their best. Mr. Shadonix handled the coaching chores of this dedicated group of C.M.H.S. runners.

A STATE CHAMPION AND ALL AMERICAN

Miss Linda Valerio

The saying "quality not quantity" is exemplified in the Swim Team at C.M.H.S. The team consists of one highly talented young lady who gave the entire city of Campbell something to be proud of. Miss Linda Valerio, who is only a junior, has achieved many of her goals already. In high school competition held in Cleveland, Ohio, Linda took top honors by placing 1st in the 100 yd. free style and 100 yd. butterfly. At the N.E.O. District meet held in Canton, Ohio, Linda placed 1st in the 50 yd. freestyle with a time of 24.9, and in the 100 yd. butterfly with a time of 56.7, both District Records. One of Linda's most recent and outstanding achievements was at the Ohio Girls High School State Meet held in Columbus, Ohio, where she again placed first and became the *state champion* in the 100 yd. butterfly with a time at 57.0.

Linda was named to the *All American Swim Team* and is rated among the top ten swimmers in the country.

Linda has brought very much pride to the city as well as our high school. Best of luck to Linda for continued success in her swimming career.

The team consists of three year players Ron Meceyko and Nick Pacak; two year members John Burich and Bill Melnik; one year members Bill Dellick and Joe Jakubek. SENIOR ACTIVITIES

AN EVENING IN PARIS . . . WHAT A

The 1980 Junior Senior Prom was held on May 16, at the *Embassy*. The Junior class, under the supervision of their sponsor *Miss Spirtos*, presented "*An Evening in Paris*, as the theme of this year's prom. Beginning at 8:00, the couples were entertained by music provided by the band "*Starburst*" During the entire evening, cameras flashed everywhere. Prom '80 was a memorable night, which will be cherished by everyone who attended . . . especially our Queen, Caliope Levendis and our King, Jeff Chrapcynski.

The day following the prom, several couples traveled to various amusement parks where everyone participated in different activities. Those of us who attended *Cooks Forest State Park*, found that canoeing in the rain was one memory that will stand out in their minds for a long time. The group that went to *Cedar Point* discovered it quite difficult to ride the rides in the pouring rain! The most important factor of Prom '80 was that it was an event full of fun and excitement shared by everyone.

OUR TRADITION . . .

Spaghetti Dinner King and Queen - Joe Jakubek and Marianne Duca.

On March 29, the class of '80 gathered in the high school cafeteria to attend the traditional event of the year, the *Annual Senior Spaghetti Dinner and Dance*. As the students arrived they were greeted at the door by the Senior Class Sponsor Mr. Rick Gozur and his wife, Judy, who collected their votes for king and queen. Soon after, the cafeteria was filled with the laughter and conversation from our unusually well dressed students. After everyone had finished eating, all sat back and anxiously awaited the announcement of the royalty for this momentous evening. The king and queen for the evening were Joe Jakubek and Marianne Duca, Two of our hardest working and most personable students. After the crowning was completed a special record was spun especially for the court. Later everyone else joined in the dancing. The time at our last social event at Memorial passed all too quickly. It was evident that everyone was feeling a sense of sadness as we reluctantly departed.

THIS IS THE ARMY

**"THE ARMY'S A TOUGH BOSS.
BUT IT'S A FAST WAY
TO LEARN."**

If all you want to do is pick up a skill somewhere, you can do that down at the local garage.

But if you're willing to work hard to learn the skill you always wanted to learn, the Army could be the right place for you.

CHOOSE YOUR SKILL

The Army lets you pick from hundreds of specialties—most of them civilian-related. So your skill training can probably be put to good use later on.

TRAINING

After you complete basic, get ready for one of the most intensive training periods of your life. It could mean up to one year of class, field and study work, depending upon the skill you select. Training can be grueling, but the end result will be worth it.

PAY & BENEFITS

Starting pay is now over \$429.00 a month (before deductions), plus room, board, medical and dental care; and 30 days' earned vacation every year. Plus, there's a \$3,000 bonus for enlisting in certain specialties. Educational benefits include as much as 75% of the tuition for approved courses taken off-duty, and a chance to save money for college later on.

PEOPLE

There's no military hardware to replace the human heart. No computer to out-think the mind. We need people. We are people. So if we ask you to be a good soldier, we mean the best possible person you can be—and be that with us. Share the pride that comes from serving your country. Contact your local Army Representative, listed in the Yellow Pages under "Recruiting."

IT'S NOT ALL WORK

Whether in training or out, you'll find that most Army posts offer plenty to do off-hours, with sports and entertainment facilities. And usually a major city is within an hour's drive.

WE FINALLY MADE IT!

For the *Graduated Seniors* our high school years have ended. The years which were filled with new friends and new experiences, good and bad, will stand out in our minds as some of the happiest days of our lives. Special events shared by the *Class of '80* are now only memories. The victories and defeats we shared together helped us to grow closer and stand by our school. As we move into the future, we can cherish these memories and never let them escape our minds. The days that we spent in the halls of *Memorial High* are the days that will stand out among all.
